MEET THE TEACHER

BEN HART

TAFE Queensland Remedial Massage Teacher, Ben Hart, teaches at the Toowoomba and Springfield campuses while working part time in a sports/remedial massage clinic. He is also passionate about assisting clients to achieve wellness.

“Helping clients understand their pain, and point them in the right direction to decrease/eliminate their pain, or to be able to put strategies in place to help them manage their pain, is very rewarding.” said Ben.

“It’s such a diverse industry, and a qualification can open the door to work in a range of environments, from a multimodality or private practice, to health retreats and resorts, to sports and corporate health settings.” he said.
